How information about you will be used

Information you enter into this form, including your email address will be submitted to our IT Department's helpdesk software. Your email address will only be used for the purposes of contacting you in regards to your submission. It will not be used for any another reason or given or sold to any other company or organisation. Your comments may be kept in a redacted format for improving our web services.

You will receive a copy of the information you provided to the email address you specify.
