

Annual Gathering: 2011, 2012 & 2013

Saturday 15 July 2023

Welcome to your Annual Gathering 2011, 2012 & 2013

Welcome back to Trinity for your first Reunion. We are delighted that so many of you are able to join us for this opportunity to reconnect with your contemporaries here in College.

If you matriculated in 2011 you will remember the four-day celebrations surrounding the Royal Wedding of Prince William and Catherine. As well as the Diamond Jubilee, 2012 saw the beginning of Barack Obama's Second Term, the opening of the Shard and the United Kingdom hosting the Olympics. 2013 was the year Andy Murray became the first British man to win Wimbledon since Fred Perry in 1936 by beating Djokovic in straight sets.

I hope you have a wonderful time today as we celebrate your shared Trinity experiences, please see further information about the Gathering and how to stay connected below. I look forward to seeing you at another alumni event very soon.

Yours

Giving to Trinity

Breaking Down Barriers

The College is committed to ensuring that all students can take advantage of every opportunity during their time in Cambridge.

Trinity has led the way in providing extra support to students who need it, through the Trinity Maintenance Grant which has only been possible with the support of alumni. By making a gift, you are creating an opportunity for a talented young person to not only explore their academic interests at a world class institution but to also experience all that Trinity and Cambridge have to offer.

Trinity Giving Days - Thank you!

443 donors came together to help smash our match and challenge goals, raising an incredible £332,114 during Trinity's first Giving Days on 21 to 23 June. The Master, Dame Sally Davies recorded this [message of gratitude](#) for you invaluable support for our students.

When Trinity alumni unite in giving, they can transform the futures of those who will follow in their footsteps.
