FROM THE CHAIR

Dr Michael Banner Dean, and Chair of Alumni Relations & Development

I am delighted to report that a new record was set this year, with 2,153 of you giving to Trinity – the first year that more than 2,100 alumni and friends made a gift. To see the tremendous difference you have made together, please read the Year in Numbers on pages 6–7.

In yet another year of upheaval, we are grateful for the total of £5.3m in new gifts, legacies, and pledges. The global economic outlook remains volatile, and many of our students and their families face financial challenges. To address this need, the College launched the pilot [Trinity Maintenance Grant](#) in March 2022. Boosted by your support, it greatly enhances the support packages available for bursary recipients. Not only are you helping to alleviate students' money worries, but you are also breaking down the financial barriers that discourage applications from underrepresented groups.

Because of your help, the College has also been able to respond to a particular emergency by establishing the [Trinity Relief Fund for Ukrainian Students and Scholars](#), to support those facing hardship arising from the conflict. Your gifts this year have also opened up exciting new

research opportunities, enabling us to attract the brightest young researchers from around the world. For example, thanks to a [partnership between the College and the Prince Mahidol Award Foundation](#), from 2023 a Thai student will be supported to study for a PhD in Medicine or Biomedical Science at Cambridge.

These specific initiatives are just the latest examples of how Trinity helps and supports thousands of students and researchers across the University and wider community too. Your philanthropy helps us to lead the way. It was therefore particularly fitting that Trinity admitted four new Fellow Benefactors at the Commemoration of Benefactors Feast on 18 March 2022. David Manns (1964, Mathematics), Ian Menzies-Gow (1962, Physics),

Peter Pemberton (1963, Agriculture) and Professor Yang Xia (2003, Natural Sciences) were all recognised for their exceptional support for students and research at Trinity.

Of course, it is not only financial support you have given. You have attended our events, supported Alumni Associations and groups, and offered your advice and expertise in myriad ways. You have hosted gatherings and opened your homes to fellow alumni, written articles for

our publications, and mentored our students. Working with you, we will be expanding our mentoring offering this spring so that even more students will have the opportunity to benefit from your wisdom and experience.

The College is immensely proud and grateful that so many of you have supported us so magnificently this year. Thank you, and we look forward to achieving even more together over the coming months.

Trinity's Fellow Benefactors admitted on 18 March 2022 – Professor Yang Xia (2003), David Manns (1962), Ian Menzies-Gow (1962) and Peter Pemberton (1963) (d) with the Master.

1546 Society

Members of the 1546 Society support Trinity with regular gifts of £15.46 each month or above (or £5.15 per month or above for those who graduated within the last decade), which provides a steady source of support, enabling the College to quickly address areas of pressing need.

"I am able to look back at my time at Cambridge and realise how far I have come. I am grateful to have had the support of this studentship at Trinity. I know that it has truly elevated my time here."

Simone Adams (2019, PhD in Pathology)
Louis and Valerie Freedman Studentship

"Without the bursary, it would have been much more difficult for me to maintain a good study-life balance and focus on what is important. I hope that one day I will be able to contribute to society by helping others reach their goals, just as I was supported."

We use your data to keep in touch with you, to provide information on services we provide to you and to keep you informed of College news and activities. Your data are held on the College's Alumni Relations and Development database. Full details on how your data are held and used are set out in our Data Protection Statement at trin.cam.ac.uk/alumni/information/dataprotectionstatement or you are welcome to request a hard copy from us. Some sensitive personal information may be held in the database. You have the right to contact us at any time to change how your data are used or to tell us that you do not want to receive a specific communication. Please contact us by emailing alumni@trin.cam.ac.uk or by calling +44(0)1223 761527. If you would prefer to write to us, please address your letter to Alumni Relations & Development Office, Trinity College, Cambridge, CB2 1TQ.

LEAVE YOUR LEGACY

Leaving a gift for Trinity is a meaningful way to help the College continue to deliver its world-class teaching, to conduct groundbreaking research that changes lives and benefits society, and to support students from around the world to reach their full potential.

Join the growing number of alumni and friends who have already remembered Trinity in their will and you will be providing transformative opportunities long into the future. To recognise your generosity, you will be welcomed as a lifetime member of the Great Court Circle.

If you want to discover more about the difference planned giving can make, please contact us on
